

# Moving from Assessment to Action: SLO Assessment and Planning

## Randy Beach

Curriculum Faculty Co-Chair and English faculty at Southwestern College and Past Chair of the ASCCC Accreditation and Assessment Committee

This workshop will be offered twice:

**Thursday, September 22nd, 2-5pm in College Center, Room 224**

and

**Friday, September 23rd, 9am-12pm in College Center, Room 224**

Co-sponsored by Staff Development  
& the Accreditation Team

This workshop focuses on effective student learning outcomes assessment as it relates to program-level and course-level curriculum development and improvement planning. Participants will understand the basis of outcomes assessment in accreditation standards, but will move beyond the notion of compliance to discussions of meaningful outcomes assessment and how reflections on assessment data can be used to make meaningful course or program changes. Participants will have the opportunity to create draft action plans based on their review of assessment reflec-
